January 2020

TO: Pensioners and Beneficiaries of the Members of the Legislative Assembly Pension Plan
FR: Nova Scotia Pension Services Corporation
RE: 2020 Cost-of-Living Adjustment (Indexing)

This letter is to inform you that your monthly pension payment has been increased as a result of indexing, effective January 1, 2020.

- If you retired before January 2019, your increase is 0.85 per cent.
- If you retired during 2019, this same increase is prorated according to the number of months your pension was in pay. For example, if you retired at the end of September 2019, your increase, on January 1, 2020, would be for only 3 months (October, November, and December) of the total previous 12-month period.

Should you have any questions regarding this or any other pension-related matters, please contact us at 1-800-774-5070 (toll free in NS), 902-424-5070 (local), or by email at pensionsinfo@nspension.ca. You can also visit our website at: mlapp.novascotiapension.ca/
